Dharmendra Chaurasiya

Kanpur, Uttar Pradesh
golu78dk@gmail.com — +91 7887001253 — GitHub — LinkedIn

Summary

Aspiring Software Engineer — Full Stack (MERN) — Data Structures & Algorithms (C++)
Passionate about building scalable web applications and continuously improving problem-solving skills.

Education

Chhatrapati Shahu Ji Maharaj University, Kanpur 2023 – 2027
B.Tech in Information Technology

Technical Skills

- Languages: C, C++, Python, JavaScript
- Frontend: HTML, CSS, Bootstrap, React
- Backend: Node.js, Express.js
- Databases: MongoDB, SQL
- Tools: Git, GitHub, Render, Vercel
- Core CS: Data Structures & Algorithms, OOP

Projects

SmartVoice - AI Assistant (Full Stack (MERN)) GitHub — Live

- Built a full-stack AI voice assistant with Hindi-English interaction.
- Developed command execution system (web search, apps, time/date).
- Implemented speech recognition and text-to-speech using Web Speech API.
- Integrated OpenRouter AI for smart responses and query handling.
- Implemented JWT authentication with personalized assistant (name & avatar).
- Designed responsive UI with basic dark/light theme toggle (Home page).

StockVerse - Stock Trading Dashboard (Full Stack (MERN)) GitHub — Live

- Developed a full-stack stock trading dashboard inspired by Zerodha using MERN stack.
- Implemented portfolio tracking, holdings management, and order placement features.
- Designed RESTful APIs for efficient data handling and scalable backend architecture.
- Built interactive and responsive frontend UI for real-time user experience.
- Implemented authentication and optimized routing for better performance.

Achievements & Certifications

- Completed 150+ Google Cloud Arcade labs and earned rewards (T-shirt & swags)
- Selected as ECWoC 2026 Contributor (Open Source Program)
- Completed NPTEL Certification in Introduction to Internet of Things (IIT Kharagpur)
- Completed Vocational Course in Cyber Security (CSJMU)
- Completed Full Stack Web Development (MERN) – Apna College (Delta Batch)

Interests

- Cricket and fitness
- Programming
- Learning new technologies and AI-based systems
